

# SPRING 2021 REHEARSAL SCHEDULE

Location: Room 211, Convention and Trade Center 801 Front Ave,  
Columbus, GA 31901

All participants are required to follow all health and safety guidelines during all YOGC events. Students and parents can park under the overhang, on the street, or in the RiverCenter Garage. No outside food or drink except for reusable water bottles are allowed. Please visit [www.yogc.org](http://www.yogc.org) for a full and updated list of requirements.

The YOGC orchestra program will perform as a single Symphony Orchestra for the Spring of 2021. This decision was made in the best interest of our students' and staff safety. Each Monday the orchestra will split into two EQUAL smaller Symphony Orchestras that will rehearse separately. **Please be in your seat ready to tune at the beginning of rehearsal.** Enter the room a minimum of 10 minutes before rehearsal starts and go directly to your seat. Place your music on your stand and your case under your chair. **Rehearsal will begin promptly at the designated time.**
